FAQs

What is included in my award?

The letter is single sided with a double-sided insert stuffed in a window envelope. It is two letters to the same people, one is produced in December and sent at the start of January and one in February.

I have a G8 Award but no code. Why?

You need to have a candidate in place in order to receive the award. If you didn't have a candidate when you applied, there needs to be one in place by the artwork deadline below. As soon as there is a candidate, email abi.bell@aldc.org and your code will be released.

Why have I got a voucher code?

When you order your letters through Artworker, it will ask you to pay. Applying the voucher code is how you receive your award. You can only use the voucher once and you do not get credit if you do not use the full award. You can buy letters in addition to your award at the same discounted price of 94p.

You will get a code for G8-2 after the deadline for G8-1 has passed.

What are the deadlines for G8 -1 and G8-2?

The deadlines are:

- G8:1 - 10am on Monday 4 December 2023
- G8:2 - 10am on Monday 5 February 2023

Artwork must be uploaded onto Artworker and the data must have been sent to Election Workshop by the deadline.

Where are the templates?

How do I get my data to Election Workshop?

You must get your data from Connect and download it into an Excel spreadsheet. The spreadsheet must then be encrypted with a password.

The spreadsheet is then emailed to Election Workshop enquiries@electionworkshop.co.uk and the password sent via text to 07852 557530. Both the email and the spreadsheet need to have your name, your ward and G8 in the title so we know which piece of artwork it links with.

You will need to resend your data for G8:2.

A more detailed description of how to present data is available at <https://www.aldc.org/grants/g8-2024/>

I want to send more letters that the award amount and/or to a ward that I haven't received a grant for.

That's brilliant! Direct mail is one of the best campaigning tools so doing more will help your campaign. When you do your order, you apply the voucher code when you pay.

This deducts the amount of the award from the cost.

If you want to do additional wards, you will have to pay £12 for the new version and then the 94p per letter. There is also the option for hand delivery for additional wards only. This is £12 plus 23p per letter. G8 wards MUST be posted.

To upload artwork for additional wards use this link <https://artworker.aldc.org/print/aldc-templates---upload-your-own-artwork/g8/>

Do I have to use ALDC Artworker to complete the artwork?

No. You can create your own artwork, but it must be uploaded to Artworker to get apply the voucher discount code. This is the link to upload your own artwork

Using ALDC Artworker to create the design is free and quick. Election Workshop are running a webinar on how to use Artworker on Wednesday 25 January at 12:30pm and 5pm.

Can I get help with doing the artwork and getting the data?

Yes, you can. Election Workshop can artwork the letter and insert for you if you provide the content to them directly. Artwork support costs £45 +VAT and you should email content to enquiries@electionworkshop.co.uk

Please contact your local ALDC Development Officer, LDHQ Campaign Manager or Regional Development Officer if you need help with your data. They may also be able to help with your artwork.

If you indicated on your application that you needed support with artwork and / or data, this information has been shared with Election Workshop and your local ALDC Development Officer, LDHQ Campaign Manager and Regional Development Officer.

What happens if I miss the deadline?

If you miss the deadline for G8-1 the full award will be redistributed and you will not receive the award for G8-2. If you met the deadline for G8-1, but missed the deadline for G8-2, only the G8-2 award will be redistributed.
